FIBER OPTIC SPLICING

The Cargo Mate Fiber Optic Splicing Trailer is a flagship fiber optic splicing trailer trusted by leading communication companies to meet the demand for safety and durability while also providing reliable, long-lasting value and security in the field. Cargo Mate comes with Industry leading standards. This begins with aluminum or steel frame construction and premium craftsmanship. The spacious interior of the Fiber Optic Splicing Trailer allows for plenty of cabinet storage, counter space, and lighting. Neat and smooth finishes make cleaning and maintenance easy, and heating and cooling options create a comfortable working environment no matter what the weather throws at you.
